We, the Class of 1960, respectfully
dedicate this yearbook to Dalcom Henson.

His friendliness toward all his fellow stu-
dents, and his sincere interest in the activ-
ities of the school will cause him to live
always in the memories of those who knew
him. Although Dalcom was taken from us
by a most untimely death, we must re-
member, as a wise man once wrote, that -
"Heaven gives its favorites - early death."

To you, Dalcom, who has gone from us
We bid you a fond farewell;
We'll miss you--Yes, we'll miss you
More than we can ever tell.

For you were young America
Undaunted and Unafraid;
You gave and took and laughed and joked
And many a friend you made.

Those friends will remember you always
The cheer you brought with you,
Your honest, happy attitude,
And as a pal who was always true.

Farewell from C.C.H.S.
Especially from the Sophomore Class
We'll remember you in the years to come
Just like we have the last.

OGIE BOSLEY; KELLY LOY, Board Attorney; KENNETH OBRECHT, Secretary; MILLIARD LONG, President; ELMO ATTEBERRY; CLAYTON BEST; MYRL HALE; STANLEY BRATTON.

During the past years, your Board of Education has made a sincere effort to provide our community with the type of education necessary for the all important role of assuming a respected place in society. The task is not always an easy one, but we realize that Education is a continuous process--an all important process in which many people must be involved if we are to provide the ways and means necessary for achieving education for all who need or can profit from those experiences. With the continued support of each citizen, we can look forward to greater achievements in Education for our community.

BOARD OF EDUCATION

You have no doubt heard of the expression: "IT IS LATER THAN YOU THINK."

I wonder if there are many people, "older grown," who have not marveled at the shortness of life. No matter how long life may seem to the child, the old man or woman knows that it is all too short.

However, the briefness of time does give us time to do some of the things we most desire. There is a little time each day for self-improvement. All cannot go to college, and many who do go seem to gain little in their ability to think for themselves, yet just a few minutes each day will work wonders with a good vocabulary, and store the mind with very necessary knowledge.

There is little time for the cultivation of Friendships. When life is over for each of us, if ten "real friends" will be saddened at our going, we will have lived pretty well. Friends are scarce, often because we scare them away. Take a little time to look into the knowing and understanding eyes of the people to whom you can mean something, and receive something in return. This is especially true with our students. Education is a privilege--take time to delve into this process of understanding for self-improvement.

Our faculty and staff extend congratulations to those who have been responsible for the production of the 1960 Echo. May it serve as a reminder of your days at Cisne Community High School.

We, the Annual Staff, are proud to present to you our 1960 Echo. This book has caught glimpses here and there, so that in years to come the activities of this school year at Cisne High will not be dimmed and will not fade from memory.

We hope that you will enjoy looking through the annual as much as we have enjoyed bringing it to you.
